INVITATION FOR THE 5th LETI DAY IN TOKYO October 26, 2009

I am pleased to invite you to the 5th LETI Day to be held on October 26, 2009 at Keio Plaza Hotel in Tokyo.

LETI is among the leader research institutes in Europe, working on micro and nanotechnologies and in their applications in health care, environment, transport, consumer electronics and telecom. By combining technology development and applied research, LETI provides key value for industry and academia, from technology to devices for proof of concept to prototypes.

During the LETI Day, our managerial staff will present LETI's offers in **micro nanotechnologies** with this year a specific focus on **More than Moore** (including topics such as: heterogeneous system integration, sensors, 3D integration, packaging). Specific speeches will also be held on Green IT, wireless, energy consumption issues and new advances in nano for lighting.

Each session will be introduced by **keynotes delivered by worldwide renowned Japanese actors.**

Enclosed you will find the program of the LETI Day. We would be grateful if you can forward it to your relevant contacts.

LETI is glad to offer you free registration for seminar and lunch.

If you want to attend the LETI Day, please register before October 10th, by sending an e-mail to:

Thomas Iljic,
Leti representative at French Embassy in Japan
thomas.iljic@snaft.jp
Tel: (+81) 03-5798-6339

We are looking forward to meeting you and to enjoying fruitful discussion,

Yours sincerely,

Laurent Malier
CEO
CEA-LETI, Minatec®
